

Filming Locations

Millbrook provides great filming locations for photo shoots and filming vehicles in action in the UK and Finland.

In the UK, the 700 acre site is located near Milton Keynes, within easy reach of London and Birmingham. It has a huge variety of private roads, tracks, buildings, and countryside available for film location hire.

Millbrook's staff have extensive experience working with all different types of shoots from small local media photo shoots right through to big blockbuster feature films, and are able to offer the infrastructure to deal with 300 people with ease.

Filming Locations

Test World is also available as a filming location. Located in Northern Finland, it is ideal for hunting the Aurora Borealis, more commonly referred to as the “Northern Lights”.

1,300 acres of test tracks are nestled within untamed Lappish wilderness, well served by numerous hotels, restaurants and excellent flight connections. Situated 300km north of the Arctic Circle, it is ideal for filming vehicles on snow and ice.

Film Locations For Hire Finland

- Secure, private test tracks on snow, ice, gravel and asphalt (outdoor and indoor)
- Picturesque landscapes including woods, fields, forests, hills, lakes and rivers
- Range of industrial and unusual buildings

Hireable Extras

- Special vehicles including tractors and snowmobiles
- Husky safaris
- Reindeers
- Other Christmas themed extras can be arranged, for example purpose built sets and Santa Claus actors

Film Crew Support

- On-site catering
- Helicopter landing spot
- Offices available for make-up or temporary production rooms
- Garages and storage rooms
- Petrol station and car wash
